

Transforming Healthcare with AI

Ruthy Kaidar

Managing Director Healthcare, EMEA, Microsoft

Feb 18, 2025

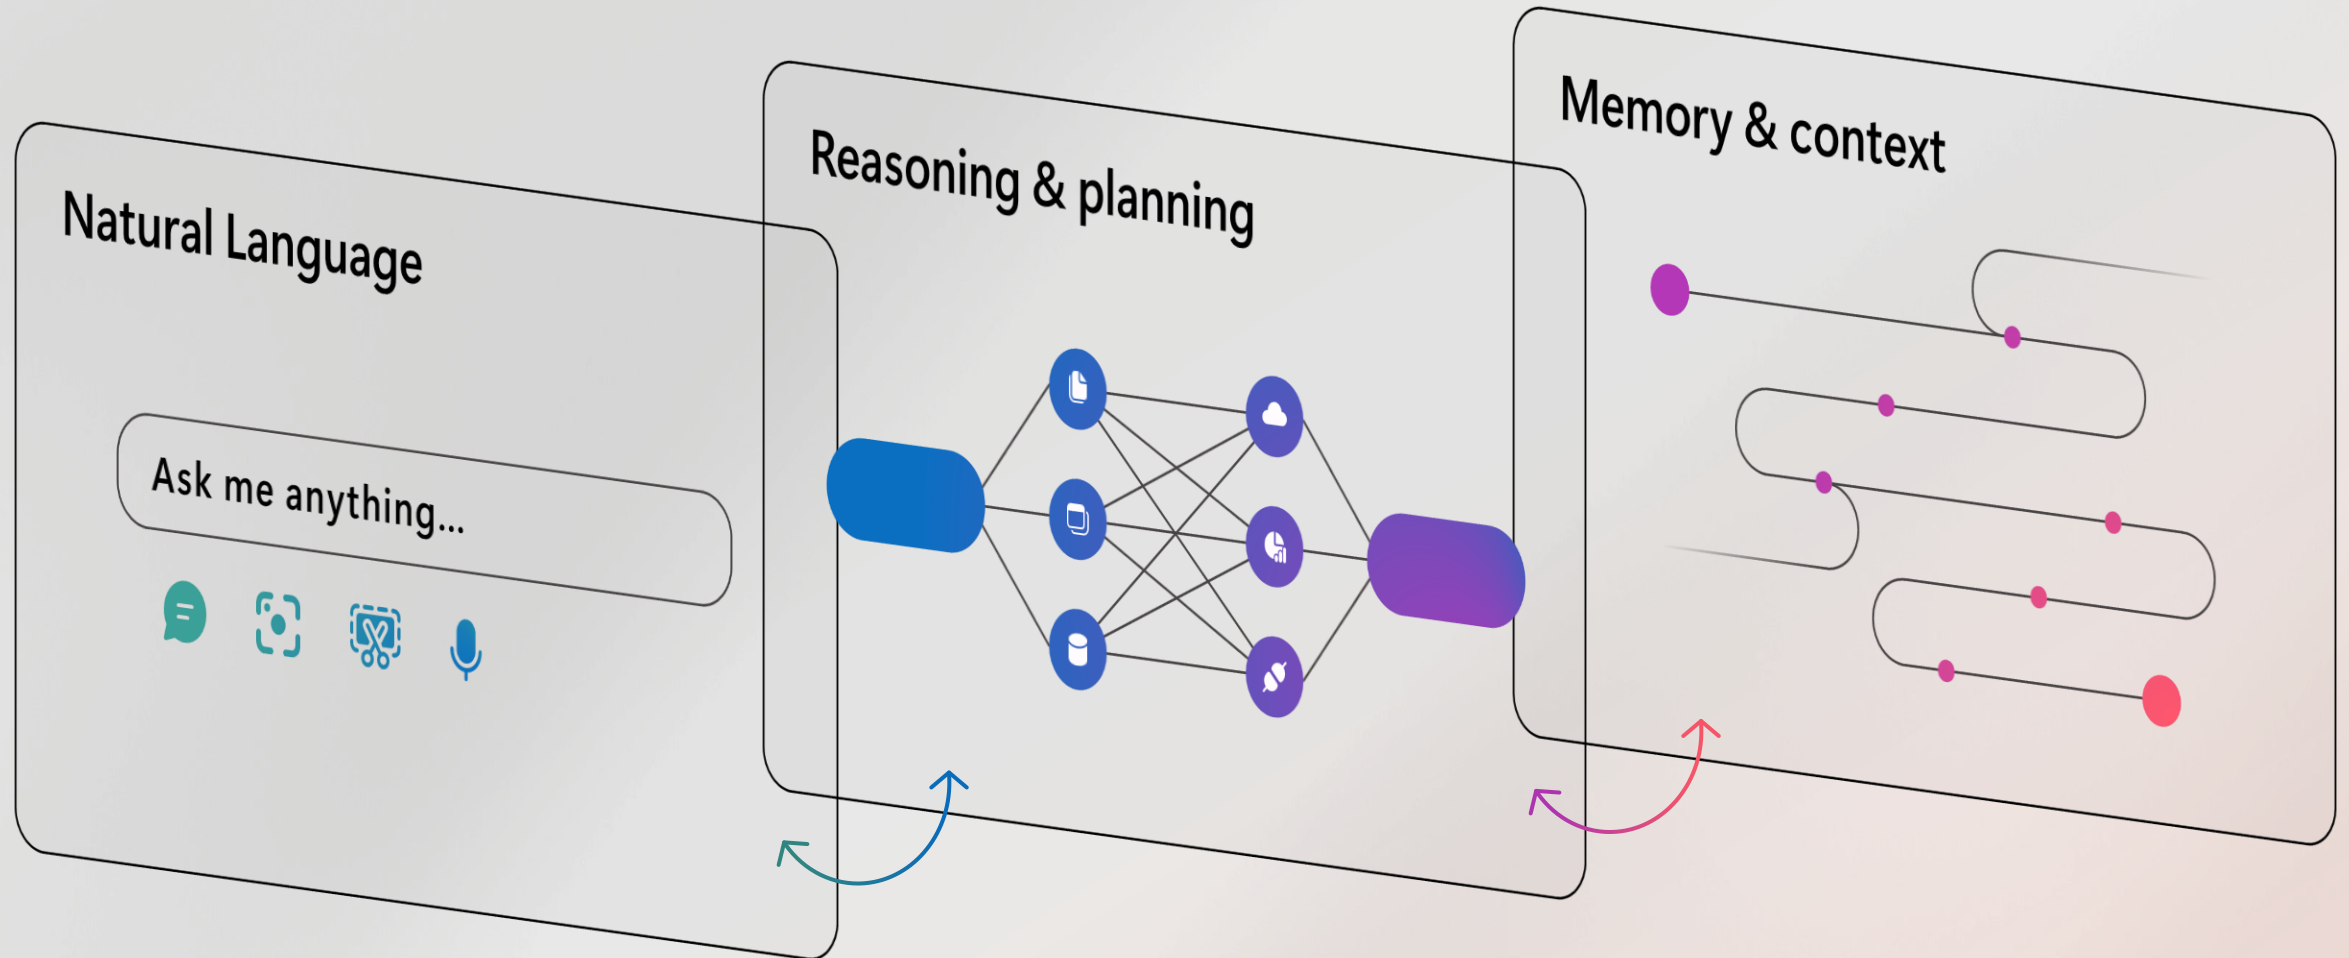

The background of the slide is a 4x4 grid of 16 images. The images are: Row 1: A hand pointing at a map on a tablet; a large domed building at sunset; two people in an office looking at a screen; a wide, flat landscape. Row 2: A modern building with a glass dome; a group of people in a meeting; a hand holding a smartphone; a group of people in a meeting. Row 3: Two people in an office looking at a laptop; a dense forest with mist; a woman presenting to a group; two people in an office looking at a monitor. Row 4: A modern building with a glass dome; a group of people in a meeting; a hand holding a smartphone; a group of people in a meeting.

**Empower every person and every organization
on the planet to achieve more**

Three Breakthroughs

“The age of AI is upon us.
We are witnessing **nonlinear**
improvements in the capability
of foundation models, which
we are making available
as **platforms.**”

Satya Nadella, Executive Chairman and Chief
Executive Officer, Microsoft

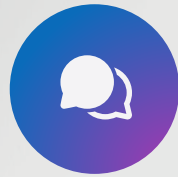

AI-driven Healthcare Transformation

Enrich
employee
experiences

Reinvent
patient
engagement

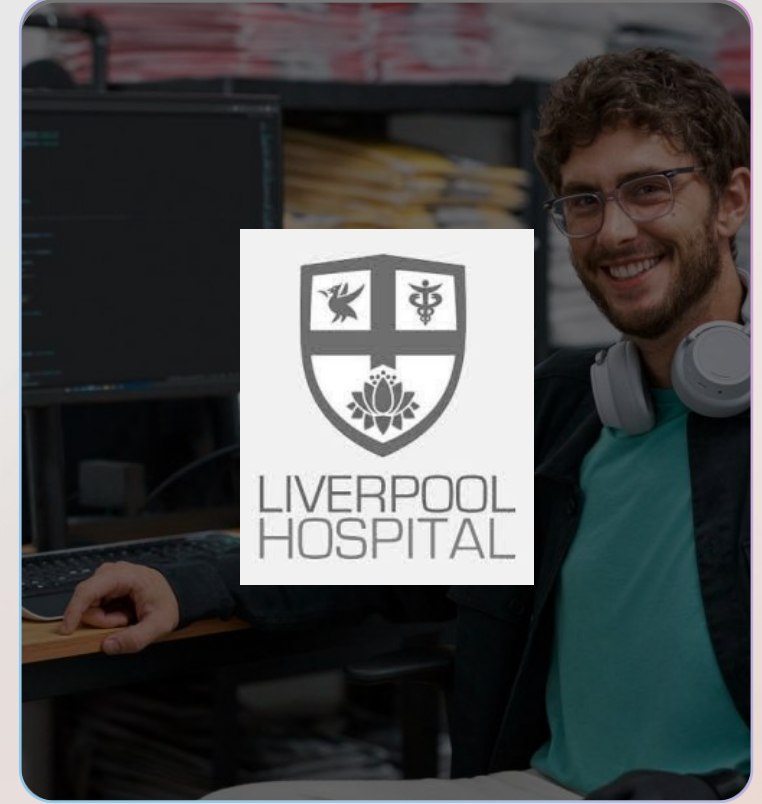

Reshape
workflow
processes

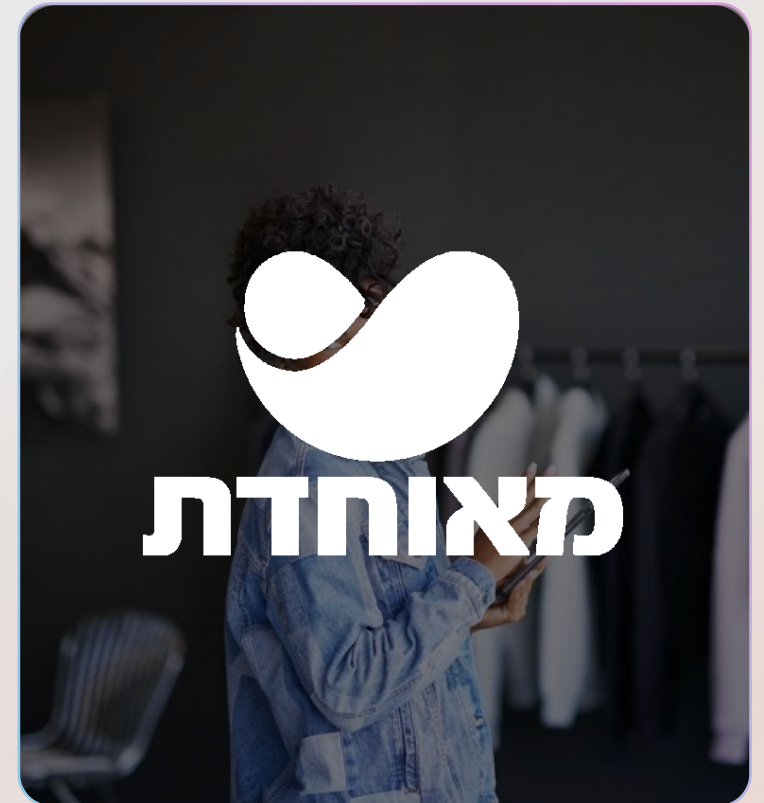

Bend the
curve
on innovation

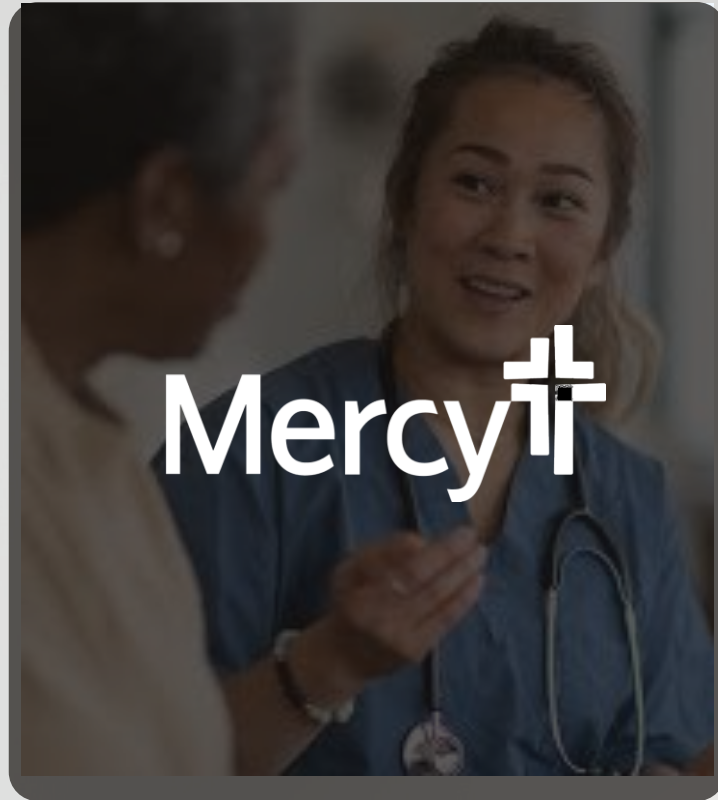

Enrich employee experiences

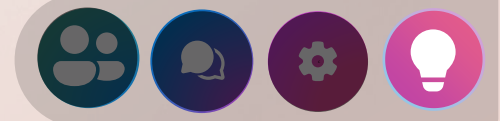

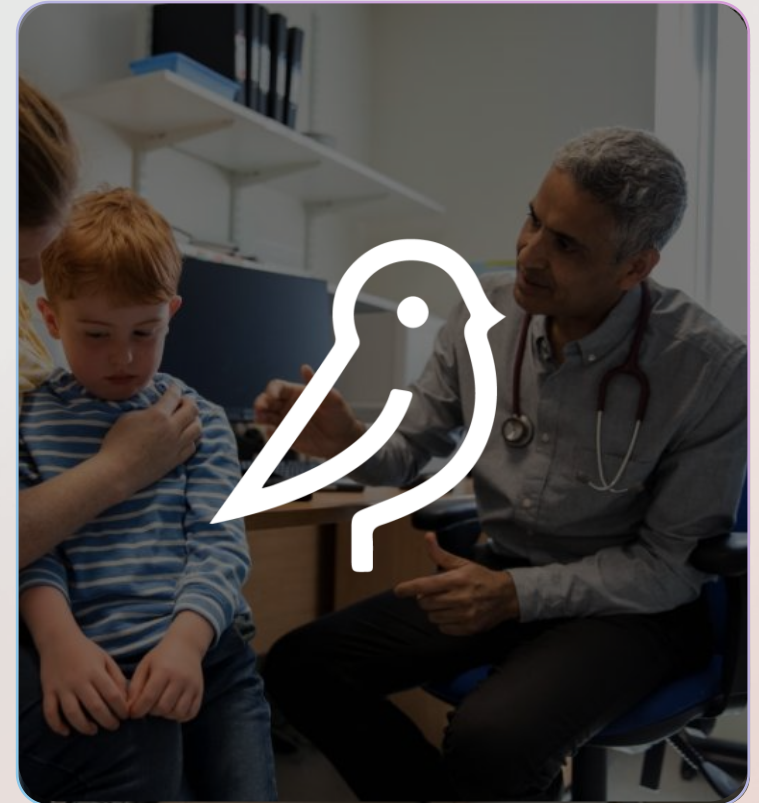

Reinvent patient engagement

Reshape workflow processes

Bend the curve on innovation

How will you
use AI to
shape the
future of
Healthcare?

Thank you
